## Call for Papers

In July 2015, [The Institution of Engineers, Singapore](http://www.ies.org.sg) will once again host the World Engineers Summit on Climate Change (WES) 2015, focusing on the theme 'Sustainable Urban Development for Global Climate Resilience'. After its successful inaugural event in 2013, WES has become an anticipated platform by the global community to exchange insights and ideas to address the effects of climate change.

A focal point for ideas, research findings and best practice on climate change, WES 2015 will address a range of critical issues in engineering and sustainability. The WES 2015 Organising Committee invites the submission of technical papers for presentation at the Summit, in the following areas:

<p>CLEAN ENVIRONMENT &amp; WATER RESOURCES</p> <p><small>"Water &amp; Green Cities" Photographer: Penny Piddock</small></p>	<p>SUSTAINABLE DEVELOPMENT &amp; INFRASTRUCTURE</p> <p><small>"Reflection" Photographer: Mustafa Gezer</small></p>	<p>SUSTAINABLE ENERGY</p> <p><small>"Sustainable Energy" Photographer: Tucumã Kubel</small></p>	<p>RESILIENCE &amp; ADAPTATION AGAINST CLIMATE CHANGE</p> <p><small>"Rising Risk" Photographer: Arvind Singh</small></p>
<ul style="list-style-type: none"> <li>• Air Quality Control</li> <li>• Carbon Footprint and Life Cycle Cost</li> <li>• Clean Coal</li> <li>• Desalination Technology</li> <li>• Energy-Water-Waste Nexus</li> <li>• Emissions Control</li> <li>• Environmental Engineering Education</li> <li>• Environmental Planning</li> <li>• Landfill</li> <li>• Land Remediation</li> <li>• Management of Water Resources under Climate Change</li> <li>• Recycling Technology (Waste to Resource)</li> <li>• Towards a Low Carbon City</li> <li>• Waste &amp; Hazardous Waste Management</li> </ul>	<ul style="list-style-type: none"> <li>• 3Rs – Reduce, Reuse &amp; Recycle</li> <li>• City Planning</li> <li>• Corporate Social Responsibility on Climate Change</li> <li>• E-Mobility</li> <li>• Industrial Systems &amp; Facilities</li> <li>• Low Carbon Future</li> <li>• Transportation Systems &amp; Management</li> </ul>	<ul style="list-style-type: none"> <li>• BioEnergy</li> <li>• Clean Energy Systems</li> <li>• Energy Conservation and Management</li> <li>• Energy Efficiency</li> <li>• Energy Finance</li> <li>• Energy Modelling &amp; Simulations</li> <li>• Energy Policy</li> <li>• Energy Security</li> <li>• Energy Smart Technology</li> <li>• Fuel Mix</li> <li>• Gas Revolution</li> <li>• Grid Integration</li> <li>• Nuclear Energy</li> <li>• Recycling Technology</li> <li>• Renewable and Alternate Energy</li> <li>• Solar Energy</li> <li>• Wind, Wave &amp; Tidal</li> </ul>	<ul style="list-style-type: none"> <li>• Adapting Urban Water Systems to Climate Change</li> <li>• Climate and Disaster Risk Management in Urban Planning</li> <li>• Enhancing Resilience in Coastal Cities</li> <li>• Financing For Urban Climate Resilience</li> <li>• Food, Water and Energy Security</li> <li>• Impacts of Climate Change on Public Health and Resurgence of Diseases</li> <li>• Improving Engineering Standards for Adaptation</li> <li>• Innovative and Sustainable Technology for Climate Change Adaptation</li> <li>• Private Sector Engagement in Building Resilient Cities</li> <li>• Urban Storm Water</li> </ul>

- Water Pollution Control
- Water Reuse and Management

- Management
- Using Climate Information for Building Resilient Urban Infrastructures

Authors can submit a one-page abstract of not more than 500 words, single spacing at <http://www.wes-ies.org> by **16 March 2015**. All abstracts must be submitted exclusively online.

The authors of the abstracts selected by the Abstract Review Committee, comprising various field experts, will be invited to submit full papers for presentation at the Summit. Final acceptance will be made upon registration of at least one author for each paper at a special rate of S\$800 (usual rate S\$1,000). The rate is valid for Full Programme including WES Sessions, Expo, Welcome Reception, Gala Dinner and Technical Site Visits, applicable to one author per paper selected and subject to prevailing Goods & Services Tax (GST).

Accepted papers will be reviewed for publication in an international journal.

## Timeline

Abstract Submission Closes	16 March 2015
Notification of Abstract Acceptance/Commencement of Author Registration	3 April 2015
Full Paper Submission (Proceedings)	15 May 2015
